

SUMMER 3x3!

Session Dates: June 10 - July 31

***Squirts thru Bantams: Tuesdays and/or Thursdays. Pick one day or pick both!**

***Mites have Thursday option only *Midgets have Wednesday option only**

3x3 is run using a fun, scrimmage format which allows for players to work on their game and get creative. With very few whistles, this "take it and go" style maximizes ice time and puck touches. Goaltenders will face a large number of shots from close and long range. This encourages quick thinking and quick feet!
