More about our Skating School

Skating requires consistent practice! Students and parents are reminded that skating is a skill that requires practice in order to advance to the next level. Students should plan to practice in addition to their weekly lesson. We offer Public Sessions daily at a reasonable price. Students may also choose to add a freestyle session — weekday half-hour sessions are available for Gamma and below with a private instructor, and advanced skaters have freestyle ice six days a week. New this season, Winter Session students (Tot through Delta levels) may also join Free Practice sessions at no additional cost (see inside brochure for more details). Please see our front counter staff or visit our website for a schedule of available times.

As a guide, students should practice weekly in addition to their lesson on the following scale:

Tots, Beginners, Pre-Alpha	1 to 1-1/2 hours
Alpha/Beta/Gamma/Delta	1-1/2 to 2 hours
Freestyle 1-4	2 to 3-1/2 hours
Freestyle 5 and above	3-1/2 to 6 hours

Private Lessons

We offer private lessons for skaters at any level. Our professional coaches can help your skater achieve their goals. Would you like more information? Pick up a Private Lesson flier at the ice arena or download one from our website fpparks.org.
