

General Information About the Park District of Franklin Park

Concerned citizens, led by the Franklin Park Women's Club and local Kiwanis Club, incorporated the Park District of Franklin Park on July 17, 1964 after a grass roots effort. From its beginning to the present, the park district acquired 24.56 acres of parks, built four recreation facilities, and acquired a maintenance service center. Serving approximately 15,307 residents, the park district offers more than 250 programs each year for all age groups. We participate in a special recreation cooperative, the West Suburban Special Recreation Association
